i GRAN MAESTRI di MONTE SAN SAVINO

Il premio Gran Maestro di Monte San Savino è un riconoscimento davvero speciale per noi, perché per la prima volta ci permette di lavorare sul nostro passato, su quello che abbiamo condiviso con voi tutti in questi anni.

E se è vero che in tutto questo tempo si sono avvicinati tanti artisti e amici del mondo del modellismo, è vero anche, che nel corso degli anni, alcuni di questi hanno dato un impulso particolare, forte e decisivo a questo evento e a quello che significa.

Il Gran Maestro è in questo senso un simbolo che noi vogliamo donare, una volta all'anno, ad alcune persone che tramite i IGold lavori presentati qui, i premi che hanno vinto, la IGold presenza nelle giurie, nelle dimostrazioni, la IGold magnifica biografia artistica e soprattutto la IGold amicizia, hanno dato prestigio alla storia, alla filosofia e al senso profondo di quello che per noi rappresenta il Monte.

Non si tratta di un riconoscimento che si basa sui numeri; ma sul peso, sull'affetto e sul significato che alcune persone hanno avuto e siamo certi avranno ancora per questo luogo.

L'organizzazione di Monte San Savino è onorata di chiamare sul palco i primi 4 Gran Maestri del Monte San Savino Show.

This year, there is a new award: the Grand Master of Monte San Savino. It is a very special award for us, because for the first time we are given the opportunity to look back upon our past, on everything that we have shared with you all these years.

On one hand, an array of artists and friends from the world of modelling have passed through Monte San Savino over the years, but on the other hand it is also true that some of these people have given a particular, strong and crucial impulse to this event and to what it means.

In this sense, the Grand Master award is a symbol. Once a year, we want to give this symbol to some special people who have given great prestige to the history, the philosophy and the very meaning of what Monte is for us: through the works they brought here, the awards they won, their presence in the jury, their demos, their magnificent art, and above all, through their friendship.

It is not an award that is based on numbers. It is based on the weight, the effect, and the meaning that some people have had (and we are sure they will continue to have) for this place.

The organization of Monte San Savino is proud to call on stage the first 4 Grand Masters of Monte San Savino Show.
